CHINA'S TRANSITIONAL REVIEW MECHANISM

Questions to China from the United States in the context of the Transitional Review Mechanism under Paragraph 18 of the Protocol of Accession of the People's Republic of China

Corrigendum

The following communication, dated 16 August 2006, has been received from the Delegation of the United States, with the request that it be circulated to Members, for the purposes of the fifth Transitional Review to take place at the forthcoming meeting of the Committee.

On page 2, the text of the first sentence of paragraph 6 should be replaced by the following:

"The United States notes that in the past few years China has imported cotton far in excess of its scheduled TRQ quantity, currently 894,000 metric tonnes, while still charging the in-quota tariff rate."
