

**CHINA'S TRANSITIONAL REVIEW MECHANISM**

Communication from Japan

The following communicated, dated 12 September 2007, has been received from the delegation of Japan.

\_\_\_\_\_

Questions of Japan on the Implementation by China  
of its Commitments on Rules of Origin

1. Japan would like China to explain what kind of Rules of Origin (CTC: Change in Tariff Classification or Value Added criteria or other rule) apply for trade remedy purposes.
  2. Japan would like China to explain whether same Rules of Origin apply for trade remedy purposes and general trade purposes.
